Congratulations, Andrej!

On behalf of the admission committee, I am pleased to inform you of your acceptance to the Bachelor of Music program in Piano at the San Francisco Conservatory of Music for Fall 2020. After hearing your audition and reviewing your application, we believe in your potential and look forward to your contributions to the SFCM community.

You will receive dedicated, one-on-one instruction as a member of **Corey McVicar's** studio—and as the only conservatory in the Bay Area, their attention will be undivided.

SFCM is a unique conservatory where creativity and collaboration are not only encouraged and nurtured, but celebrated. Our location in San Francisco places you at the leading edge of innovation, with connections to the San Francisco Symphony, Ballet, Opera, and SFJAZZ, and prominent technology companies such as Facebook, Dolby Laboratories, and Sony. As we open the doors of the Bowes Center (our new housing and performance facility) this fall, we are confident you will be inspired every day by your peers, instructors, and the city of San Francisco.

If you have been awarded scholarship or financial aid, you will be notified of this update by email within two weeks.

Once again, Andrej, congratulations on your acceptance to the Conservatory. We look forward to welcoming you to the San Francisco Conservatory of Music in the fall!

Sincerely,
